Milton Hershey School is fortunate in having men of vision and enterprise in the top administrative positions. Under their progressive and dedicated leadership, the School and the community have undergone many beneficial changes. Every change has kept in mind the intellectual, physical, cultural, and social improvement of the young men for whom Milton S. Hershey founded the School. The staff of the yearbook is cognizant of the vast amount of planning and the countless details that have gone into the new Milton Hershey School.

SENIOR HALL—The site of the vocational and academic facilities for the senior high students at Milton Hershey School.

Progressive improvement best characterizes the program at Milton Hershey School during the past decade. Senior Hall was completely renovated. All classrooms were refurbished and carpeted. New lighting and an improved public address and telephone system were installed. The auditorium was provided with modern stage facilities, including lighting and sound systems.

The East wing, vacated by junior high students, was transformed into a science area. A new wing was added to the auto shop to house equipment for front-end alignment and for testing, including a dynamometer. Courses in Food Services, General Building Trades, an accelerated Electronics course, and Offset Printing were introduced. French joined German in the foreign language department, where a language laboratory became a valuable teaching aid. Educational television was added to the line up of overhead and movie projectors, tape recorders, and record players as audio visual aids. Courses of study were revised and instruction in core subjects was organized in adjoining areas. Elective courses, as well as remedial work, were introduced into an expanding summer school program.

VETERAN TEACHERS RETIRE

Born on August 19, 1905, in South Londonderry Township, Lebanon County, Miss Leah Catherine Risser attended elementary school in Lancaster County and graduated from Lebanon High School in 1923 after commuting by train fifteen miles to school each day. Miss Risser received a Bachelor of Arts degree from Goshen College and a Master of Arts degree from Columbia University. She began her teaching career at MHS in 1931.

Miss Risser is a past President of the Business and Professional Women's Club and a member of the American Association of University Women. She served as a volunteer Nurses Aid during World War II, and has been a Sunday School teacher since 1931.

Now, as she completes her thirty-ninth year of service to MHS, the entire School family extends sincerest appreciation for the invaluable help which she has given us over the years.

We cannot count as progress the loss through retirement this year of the services of Chester I. Timmins.

"Chet", as he was called by his associates, was born August 5, 1905 in the town of Frackville, Pennsylvania. He attended Kutztown State Teachers College where he received a B. S. Degree and later did post graduate work at Duke University, Penn State, and Colby College in Maine.

He first taught at Frackville High School in the English department; he later taught at Lemoyne High School as an instructor in social studies. He came to MHS in August 1947, and since then has taught English and mathematics.

He has been active in his small home community of Sand Beach, having been a Sunday School teacher and having served on the Church Board. He has also been the auditor of South Hanover Township.

A dedicated teacher, an understanding father, a solid citizen of his community and of his nation, Mr. Timmins is the kind of man we are proud to have had as a member of the Milton Hershey School faculty.

The end of this past decade has marked the retirement of Merl Lester Stuckey after 23 years of service as a printing teacher at MHS.

Born September 24, 1913 in Hershey, he attended a country elementary school and then finished his high school education at Hershey High. Mr. Stuckey attended Lebanon Valley College, Stoudt State University in Wisconsin, Pennsylvania State University, and received his Master's Equivalent in Industrial education.

As well as a credit to our school, he was a benefit to his community and country. He was a teacher, chorister and played in the orchestra at Sunday School; he sang with the Harrisburg Symphony acapella Choir; in the European Theater during World War II; is a member of the VFW and the First United Methodist Church and Sunday School.

Now, we say good-bye to Mr. Stuckey; his vacancy will be filled but the memories of him shall linger forever in the minds of the 237 students he has instructed in Printing.

DEPARTMENT OF BUSINESS AFFAIRS EXPANDED

John M. Aichele

The Department of Business Affairs, under the supervision of John M. Aichele, business coordinator, and Clyde R. Ebersole, comptroller in the Accounting Department, has played a greatly expanded role in the development of our school. Over the past decade they have had an expanded role in the renovation and the construction of student homes, and the erection of Catherine Hall. Their interest is now centered on Founder's Hall. In addition to these extra activities, they supervise the buying of all equipment and the operation of the meal bus and bus fleet.

OUR COMPTROLLER RETIRES

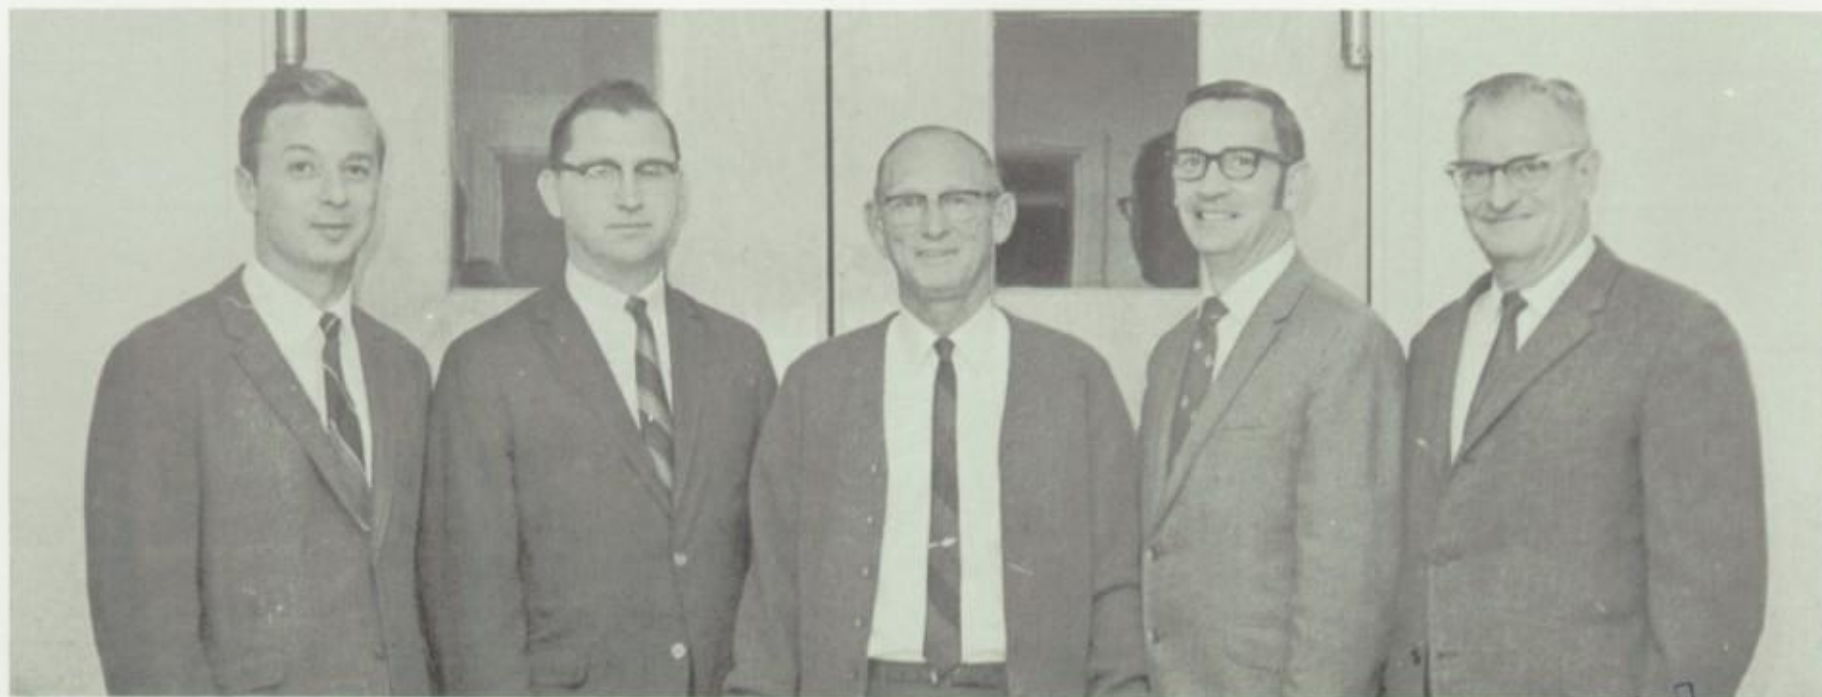

RETIRED COMPTROLLER—Clyde F. Ebersole pauses during a day's work for his picture.

This year Milton Hershey School says goodbye to a trusted and loyal employee. Clyde F. Ebersole retires after having been comptroller for 21 years.

Mr. Ebersole was born February 11, 1905 in the village of Bachmansville, located about five miles southeast of Hershey and his early years were spent in Hershey. Preparation for his career began with a program of studies in accounting from the Walton School of Commerce in Chicago.

He has worked for different divisions of the Hershey Enterprises all his life starting with the Chocolate Company's holdings in Cuba in 1931. He worked there for 15 years and then returned to Hershey where he worked for the Estates for the next three years. He took his present job on New Year's Day of 1949. He has been a valuable member of the community having served with the Hershey Volunteer Fire Company for 24 years and a member of the Hershey Rotary Club for 3 years.

And, so after a long and invaluable career with Milton Hershey School and the Hershey Enterprises we bid Mr. Ebersole a fond farewell.

Bonney (superintendent Building Construction and Maintenance), James H. Albrite (director of Purchasing and Personnel Services), and Howard H. Baum (director of Supply Services).

Milton Hershey School is a home away from home which provides the very best in education, food, equipment, and furnishings for over fifteen hundred boys. Charged with the task of providing for the students is the Business Division. Meals are prepared and delivered from the central kitchen. Clothing is issued and repaired at the clothing room. Also operating out of the Supply Center is the maintenance staff and a large fleet of busses.

CENTRAL KITCHEN—Mrs. Dorothy H. Kluck (supervisor of Food) is shown in the central kitchen where meals for 1500 boys are prepared daily.

GARAGE—John F. Lutz (Transportation Services) proudly sits atop an old fire engine being readied for the annual antique show.

INCREASED OPPORTUNITIES FOR LIFE ADJUSTMENT

An enlarged staff with increased professional training marks the change in the Student Personnel Staff. This staff directs all phases of the enrollment, adjustment, and termination processes and counsels any student having a problem related to his new environment. Every effort is made to place a student in his preferred course of study, to encourage him to make the best use of his abilities, and to assist him in finding a position after graduation. The increasing number of students attending college or technical schools has added to the load of the college placement officer who assists with correspondence and arranges for interviews and College Board tests.

STUDENT PERSONNEL STAFF—Seated: Mrs. Catherine Becker, Mrs. Barbara B. Haas, Mr. Thural V. Brehm, Mr. William F. DeLiberty, Mr. David G. Thompson, Mr. Richard C. Johnson.

HEALTH SERVICES

"PROBLEMS, PROBLEMS, PROBLEMS!"

Mrs. D. Gingrich, Mrs. E. Wood, and Mrs. S. Coulter, attempt to cure hypochondriac Tim Polito of another illness.

The dental clinic, backed by a highly trained staff, has very modern facilities for caring for the students. The two major educational facilities have their own clinics which work independently during the regular school year. During the summer, the Catherine Hall clinic provides for dental services of all students. Certificates are awarded to students who practice good oral hygiene. The dental staff gives regular checkups, using X-ray, cleans teeth, fills caries, and provides excellent services in orthodontia.

Excellent medical care is provided by a professional staff using the finest equipment. The medical team, directed by Dr. D. Lee Backenstose, has proven itself very efficient. There are three separate clinics for treating minor injuries. A special area has been reserved in the Hershey Hospital for special treatment of serious injuries and contagious diseases among students. Whenever the necessity arises, outside specialists are available.

"TO BRUSH OR NOT TO BRUSH"—M. Snyder, M. Freed, M. Markley and A. Furst, of the dental team perform their regular checkup on sophomore D. Dinkle.

Student Homelife

a decade of **PROGRESS**

Milton Hershey School

1960—1970

A NEW CONCEPT IN FAMILY LIVING

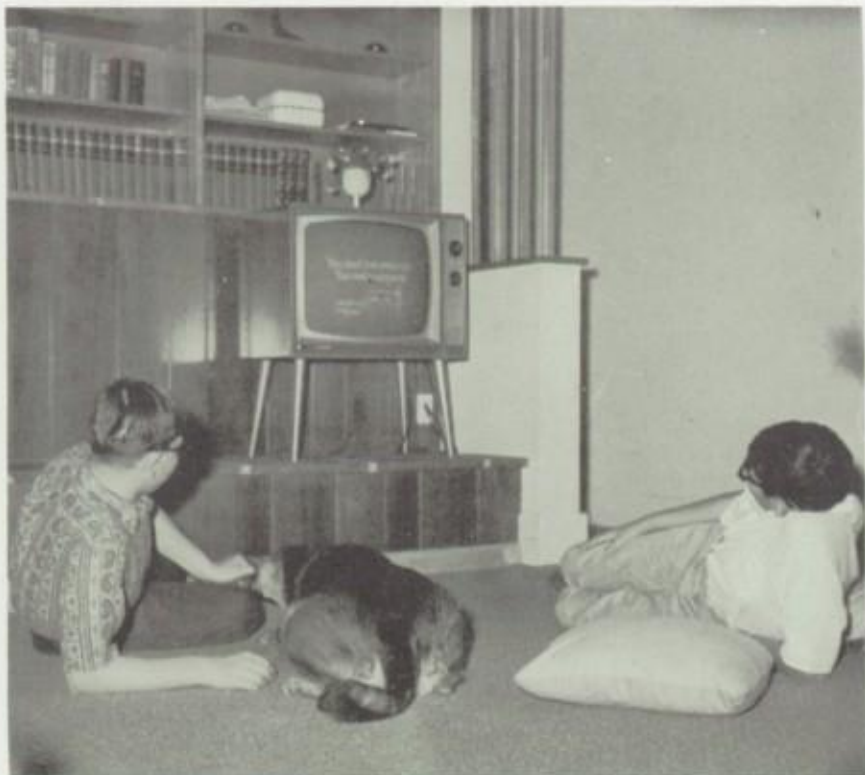

OUR HOME—Mr. Alfred T. Gible (director of Houseparent Staff) poses before one of the many comfortable homes.

In no aspect of life at Milton Hershey School, other than building construction, has there been greater change than in student homelife. New or completely renovated homes house an average of sixteen students supervised by a housefather and housemother. Two students, each with his own desk, bed, dresser, and closet, share a single room. In addition, recreational and hobby rooms add to the worthy use of leisure time. Better trained houseparents, concentration of authority, and an organized sports program are other areas of improvement. Extended vacations at Easter, at Christmas, and during the summer place MHS on a similar plane with the best of private schools. Transportation by a station wagon for each student home gives a homelike atmosphere. Various hobby posts, featuring photography, ham radio, model airplane, music, fly-tying and fishing, calf and art help students develop a satisfying and fulfilling hobby.

HEAD- MASTER'S SOCIETY

Students of good character and superior social and emotional maturity are recognized and rewarded by membership in the Headmaster's Society. There are rigid standards for eligibility, allowing membership only to those who deserve it. Although many privileges are granted members, the greatest is the prestige of being a true Milton Hershey man.

HEADMASTER'S SOCIETY - First Row: Mr. Kenneth A. Longenecker (adviser), R. Minnich, J. Hanawalt, J. Utzler, M. Kenna, S. Ryan, M. Longenecker, R. Zalek, R. Gibbons, R. Conta, W. Russell. Second Row: M. Resig, J. Perzel, J. Muzichuck, D. Miller, J. Halbleib, D. Frederick, M. Moreland, L. Roland, R. Grubb, F. Mardula, R. Prokopick.

NATIONAL HONOR SOCIETY

The Spartan Chapter of the National Honor Society since its inception in 1956 has continually striven to uphold high standards of character and scholarship, promote good leadership, and encourage students to serve Milton Hershey better. Under the direction of its adviser, W. Lyndon Hess, the advisory council carefully screens all applicants.

SENIOR SENATE

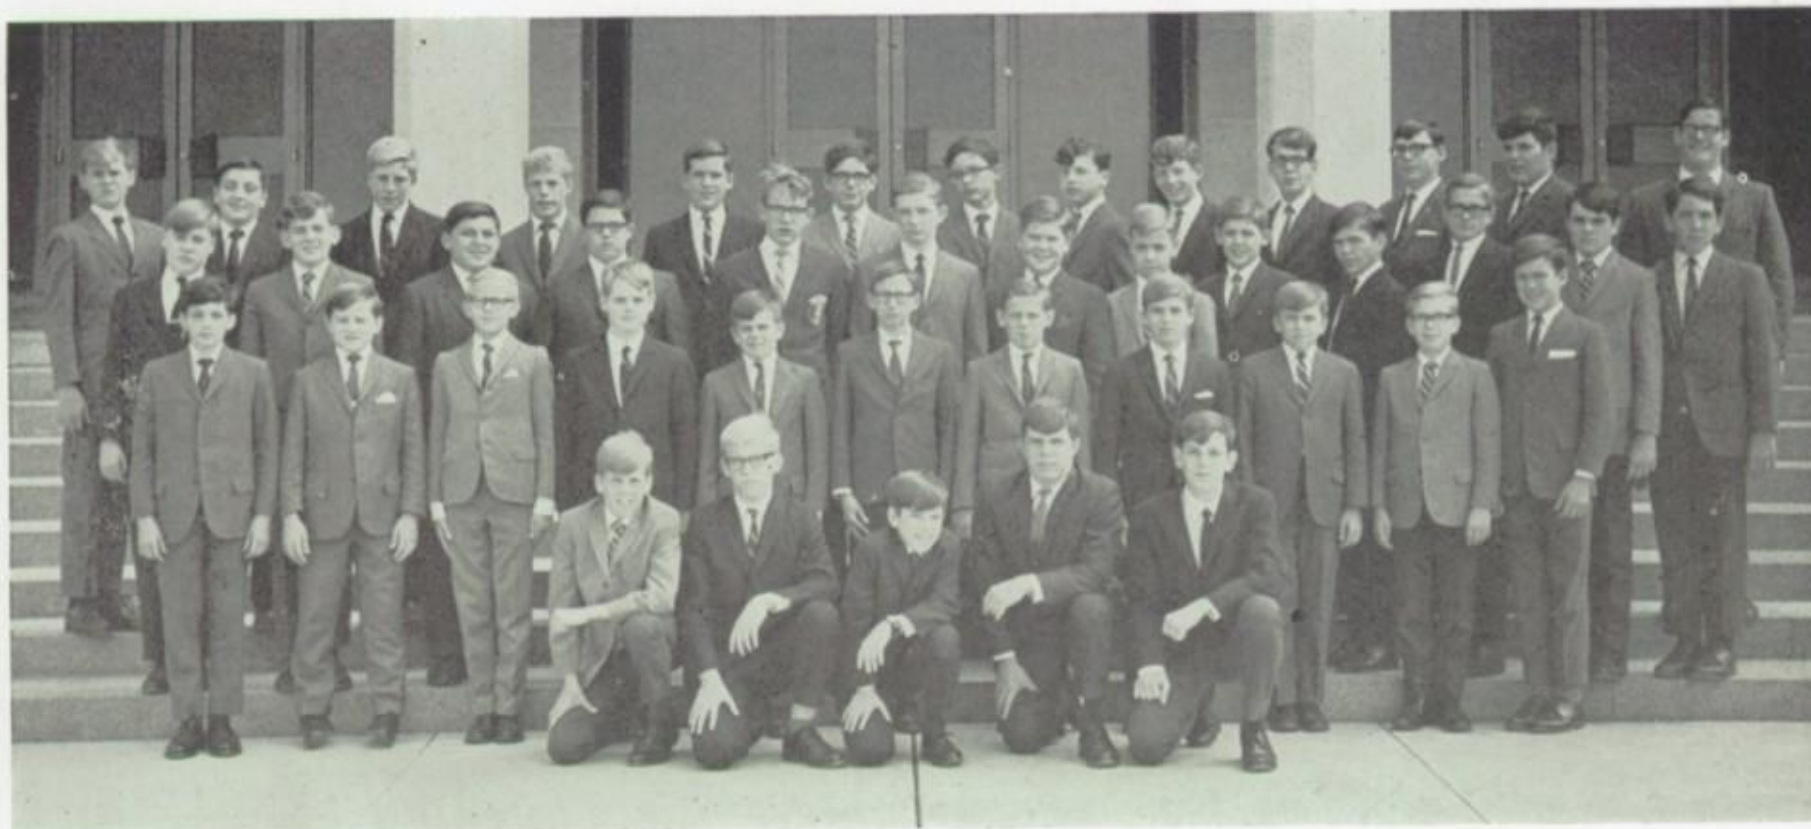

This year the Senior Senate was expanded to include not only one elected representative from each home, but also what was formerly known as the Activities Council, composed of the captains of the organizations, and a representative of each class level at Senior Hall. The cabinet, another innovation, is a smaller group composed of selected student leaders, one representative from each cluster, and the newly created posts of student body president and vice president. These offices were held by Ronald Minnich and Michael Kenna respectively.

The Intermediate Senate performs the same services as its senior counterpart.

SPARTAN BAND

During Ray B. Miller's leave of absence, William A. Grove took over the direction of the varsity band. With the experienced help of Drum Major Cliff Taylor, Mr. Grove has molded together a fine group of musicians.

Performing at halftime for Milton Hershey football games, the creativity of the band was continually evident in the intricate marching patterns which it executed. In addition to these shows, the season was highlighted by participation in the Miss America Beauty Pageant.

MARCHING UNIT AND COLOR GUARD

The Marching Unit, formerly known as the Drill Team, has almost doubled in size in the past year. Under the direction of Gerald E. Long, the group has performed well in close order drill, as well as in routines of their own creation. The Marching Unit has participated in parades in the area, in the Miss America Pageant in Atlantic City, and in the Cherry Blossom Festival in Washington, D.C. It also provides excellent halftime entertainment at football games.

SPARTAN ORCHESTRA

The Spartan Orchestra, under the direction of W. Purnell Payne, is one of the best stage and dance bands in the area. Playing for a variety of audiences, this group provides excellent entertainment for dances, assembly programs, and various school activities. The types of music include fox trots, standard popular tunes, jazz, cha-chas, and the most current popular songs.

Each year the orchestra competes in the Central Pennsylvania Stage Band Competition and has to its credit in the past few years, a first, second, and fourth place rating.

The group holds regularly scheduled rehearsals throughout the year with the elected officers helping Mr. Payne refine the band into a professionally sounding unit.

SPARTAN ORCHESTRA—First Row: J. Davies, C. Prandini, J. Veglia, C. Lohler, C. Darkes, D. Snedden. Second Row: Mr. W. Purnell Payne (director), T. Polito, J. Egnew, D. Reis, M. Struzzi, G. Rippel, D. Krynak. Third Row: R. Franklin, M. Moreland, P. Norris, D. Frederick, S. McDowell.

"POMP AND CIRCUMSTANCE?"—Senior members of the group get together for a jam session.

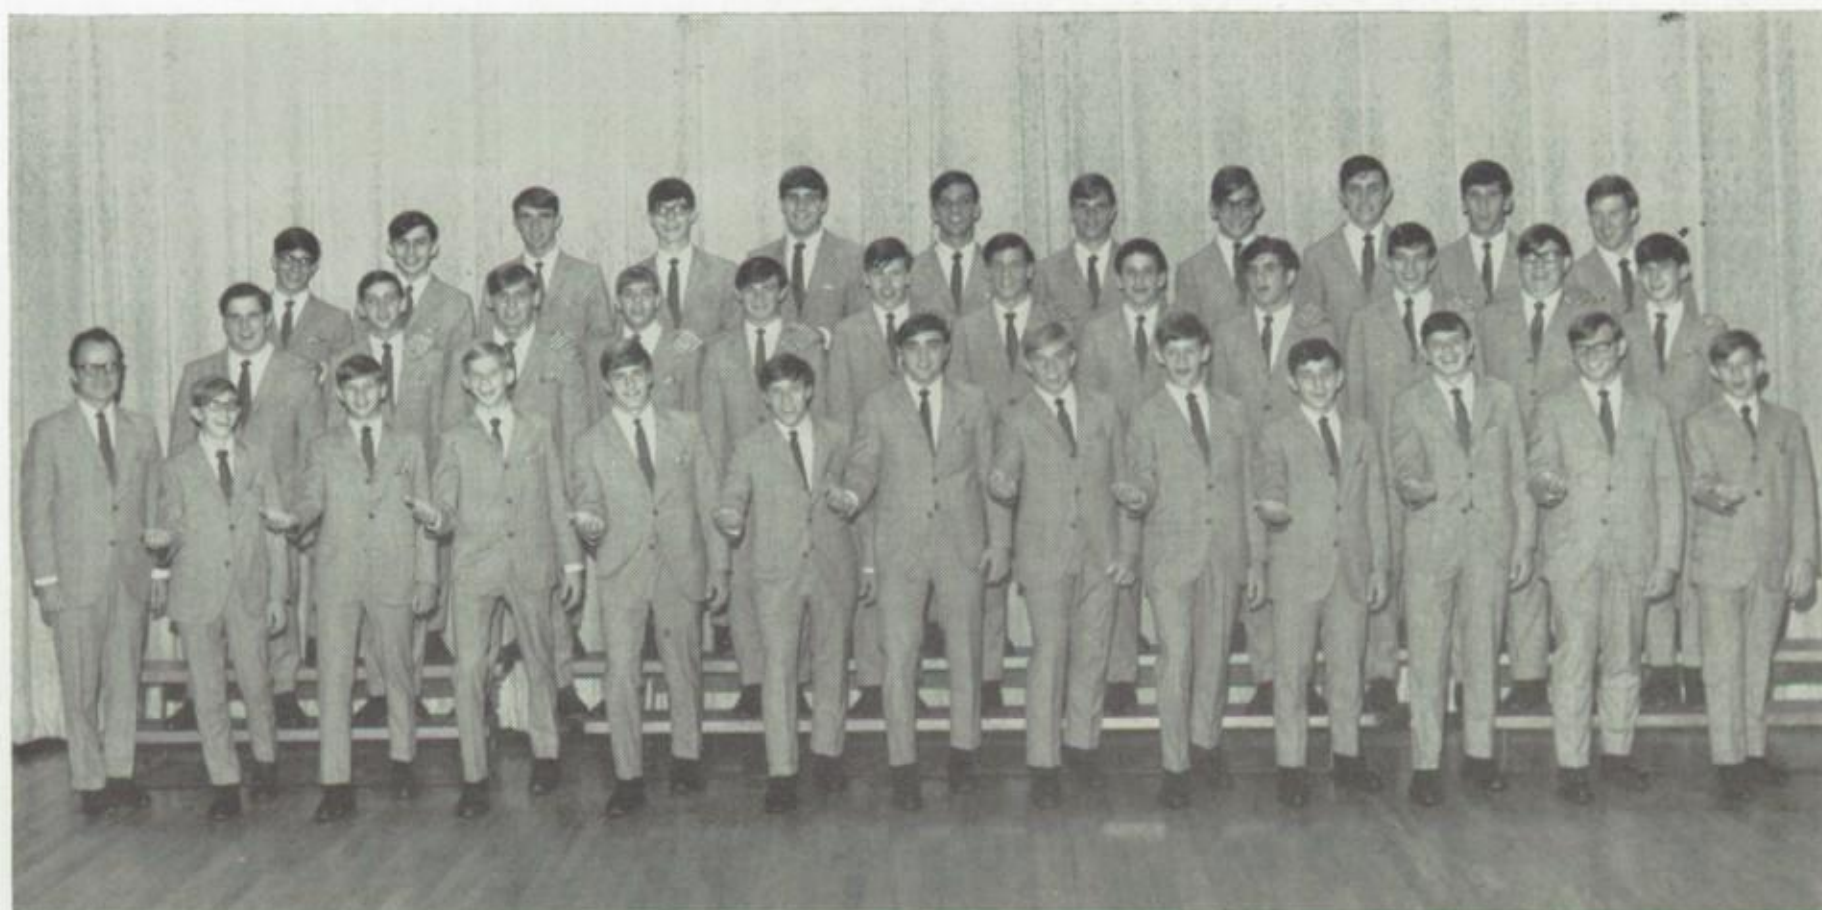

"TRY IT AGAIN"—Mr. Payne helps the orchestra officers with difficult piece.

MHS GLEE CLUB

No other activity of Milton Hershey School has contributed so much to spreading the fame of our school as has the glee club. With versatility limited only by the imagination of the director, the glee club has again presented a refreshingly different style of entertainment this year. Scorning risers and vestments, and using various stage accessories including a guitar and string bass, the group has continued to thrill thousands of all ages.

Presenting over fifty concerts throughout Pennsylvania has helped the glee club maintain their reputation as a popular performing group. This record is achieved only through the fine esprit de corps and the rapport established between the group and its director, Virgil L. Alexander.

GLEE CLUB—First Row: Mr. Virgil Alexander (director), C. Spicknall, J. Carter, K. Lotz, R. Weidman, W. German, R. Falcone, G. Rigglin, C. Boob, T. Zalek, R. Mills, R. Covell, J. Bing. Second Row: J. Andrews, P. Norris, H. MacDonald, P. Biffel, R. Minnich, T. Connelly, D. Brennan, D. Scarlett, S. Rosen, D. Reis, C. Lohler, H. Schteiden. Third Row: C. Winkler, C. Miehm, R. Chambers, J. Davies, M. Kenna, N. Evangelista, S. Waite, J. Egnew, D. Dixon, R. Zalek, C. Strachan.

"WE CAN WORK IT OUT"—Mr. Alexander and glee club officers: W. German (librarian), R. Minnich (president), J. Davies (manager), and R. Covell (secretary), ponder over the coming year's schedule.

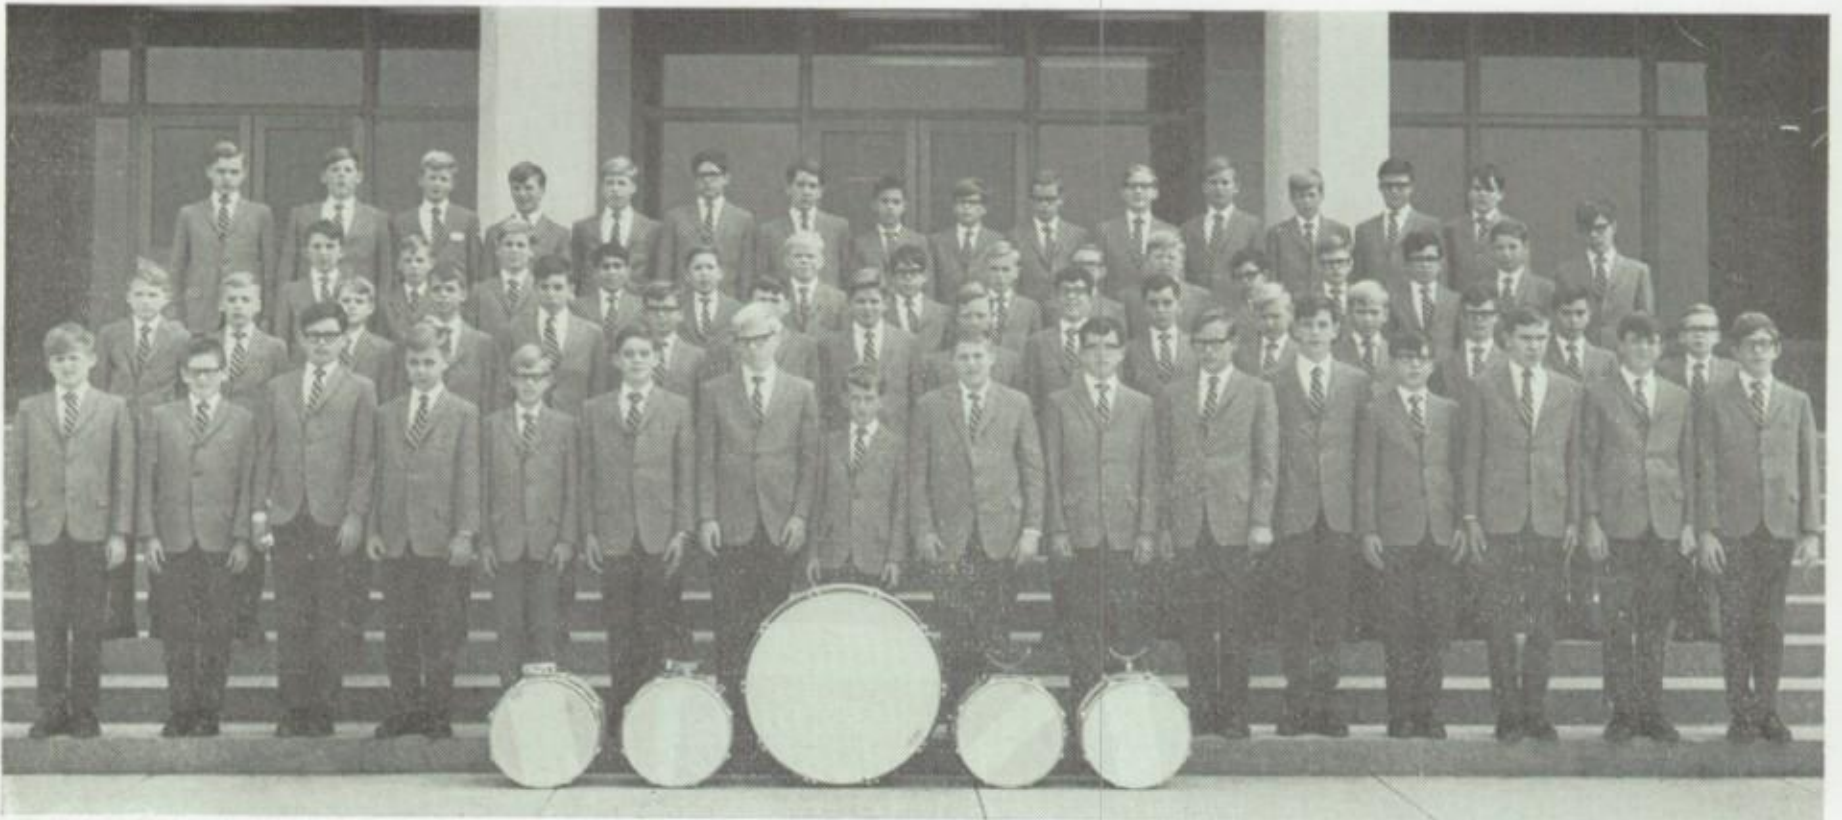

"LIKE THIS"—Mr. "A" shows a group of glee clubbers how to pose for publicity pictures.

BROWN AND GOLD BAND

Under the direction of Mr. William Shenenberger, the Brown and Gold Band has mastered the fundamental marching procedures. They receive training and experience for the varsity band from their performances at Homecoming and the annual Hershey Halloween and Memorial Day Parades.

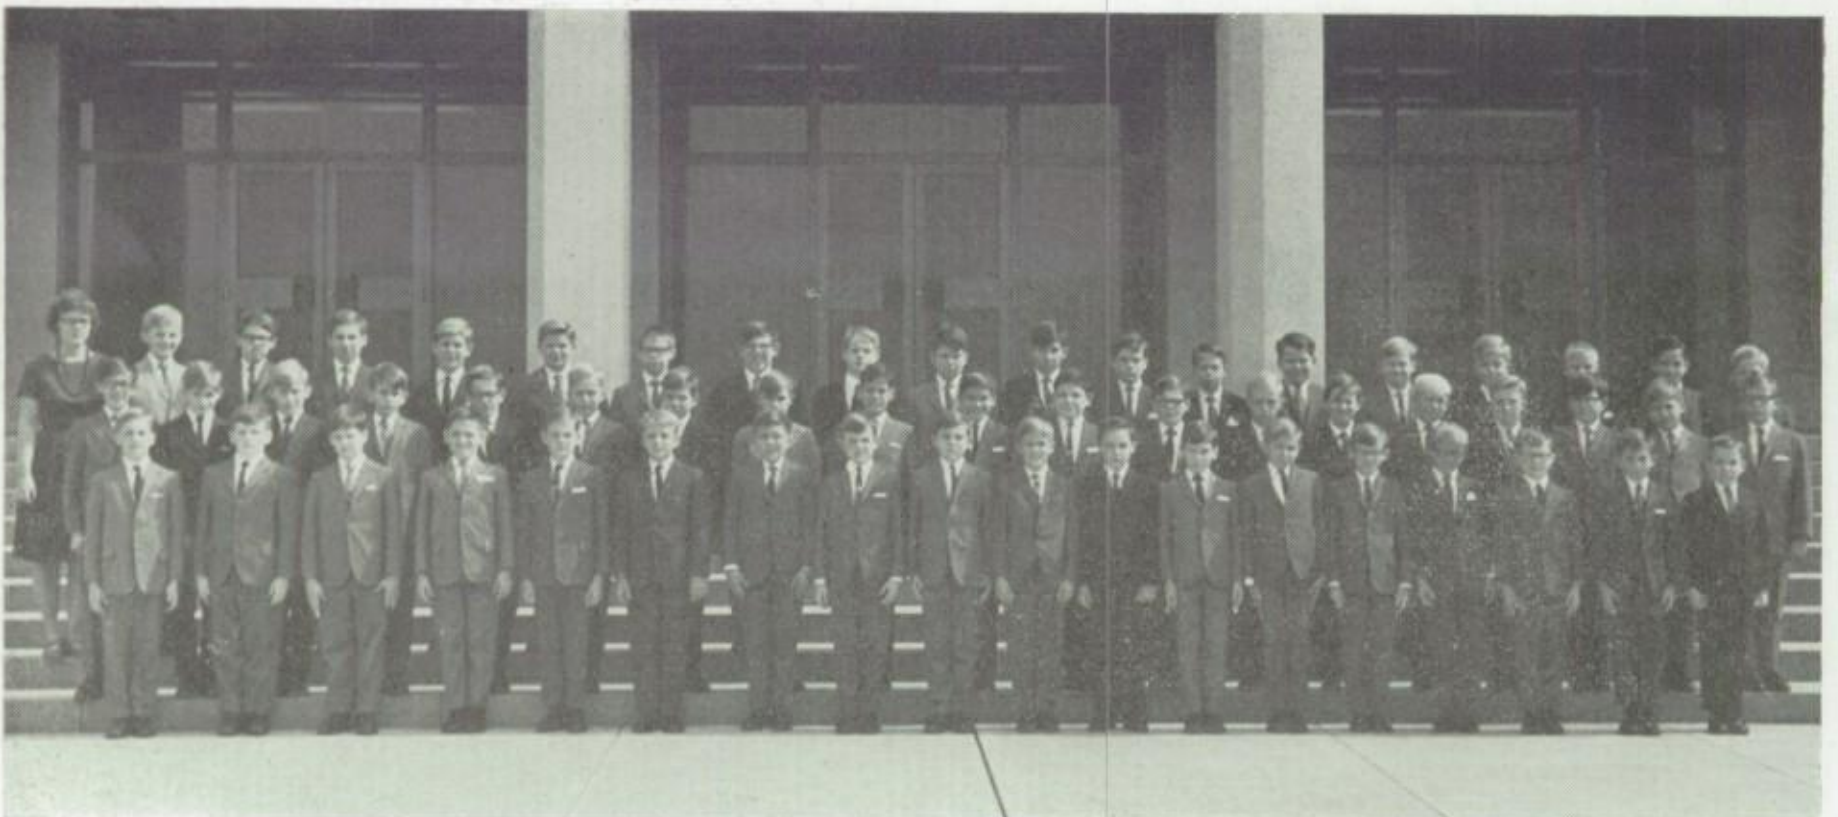

Membership is obtained only by hard work and desire on the part of each individual.

THE SCHOOL YEARBOOK

This yearbook captures the truly significant events of the Milton Hershey School family in a lively manner. It is not only a summary of these events; it is also a book which serves to refresh our memory of our happy days at M.H.S. in word and picture.

"A Decade of Progress," the theme for this year's ACROPOLIS, was properly chosen. Change at Milton Hershey School has made it one of the finest schools in the nation. Building and renovation has given students the best facilities and student life has also improved with change in policy and better counseling in the past decade.

Innovations in the ACROPOLIS include the pictures of houseparents and the grouping of juniors for their pictures by clusters instead of sections. A broader scope of M.H.S. is provided in the yearbook, which is edited and printed by the students. Under the guidance of ACROPOLIS adviser, Orville H. Strait and the editor-in-chief, Joseph Davies, we present this year's ACROPOLIS for your approval.

CROSS COUNTRY

Milton Hershey's Cross-Country team completed the season with a respectable 7-3 record under the coaching of Edward B. Ruth.

The team's potential peaked with the league victory over Hershey High, our crosstown rival. This year's success was the result of the outstanding performances of captain Joe Utzler, the school's record holder, along with veterans Harry Williams, Bill Kiger, Harry Burkett, and other team members.

While the varsity finished fifth overall at the Conference meet, underclassmen Floyd Stewart and Mike Davis finished second and third at the Frosh race at Solanco High Invitational.

MHS expects a greatly improved team next year with many outstanding underclassmen coming up.

VARSITY FOOTBALL

The Spartans, under Head Coach John Hoerner, with assistants D. Willis Hartman and David Klingensmith, sealed their season with the first winning record (6-5) in four years in the C.A.C.

The winning combination utilized personnel many different ways to outscore the opponents 216-156.

The offense racked up 1,684 yards on the ground and 775 yards in the air. The offensive squad was highlighted by Mike Longenecker and Bob Grubb, anchors of our line, the running of Bob Weidman, the aerial threat of John Hanawalt, and Tom McCauley's scoring 9 of the 30 touchdowns.

This year's junior varsity team, coached by Mr. Robert Hopple and Mr. William DeLiberty, ended the season with a record of one win and six losses.

The season was more competitive than it appears because a few of the games were close ones that could have gone either way.

The most exciting game was against Annville-Cleona. The offense gathered thirty counters while the defense held the opponents to six points with the defense terrorizing their backfield.

Under the able leadership and guidance of Coach J. D. Smith, the Frosh team piled up ninety-four points to maintain a 3-3 record.

The fine effort exhibited at all the games was evident in the three shut-out victories over their adversaries.

However, the biggest handicap to the squad was the lack of experience as compared with that of their opponents. This did not prevent, however, their administering crushing defeats to the opposition.

With the use of an unusually small squad, Coach Smith has been able to train many good prospects for next year's varsity or junior varsity teams.

VARSITY BASKETBALL

This year's Varsity Basketball team was the best Milton Hershey ever fielded, finishing the season with a 19-4 overall record and an 18-2 C.A.C. record. The Spartans had the best record in the league, and held the second half C.A.C. title with a record of 10-0.

New records set this year include seven by the man most responsible for this impressive showing, Jay Rountree, 6'10" senior who set records as follows: new all-time career record in scoring—1221 points; all-time record for scoring in single season—555 points; all-time career and single season record in rebounds—1080 and 443; all-time record for career and single season in blocked shots—307 and 135. John Hanawalt, a 5'10" senior guard, set new records for a single season in steals and assists. The team set a new record for wins in one season with 19.

Newcomers to the varsity squad were Brooke Russell, Rick Conta, Marshall Nixon, Mike Anderson, Tom Rotherth, Mike Resig, Fran Mardula, Harry Krause and Rick Zalek.

JUNIOR VARSITY BASKETBALL

This year's junior varsity team, coached by Gerald Long, compiled a respectable record of eight wins and fourteen defeats. The team had only one veteran, Gene Hunking, from the previous year's squad. Their inexperience was offset, however, by the desire, hustle, and determination of the team.

The best game of the year was played at home against Susquehanna. After losing by thirty points in their first game, the Spartans played a hard fought game only to lose in four overtime periods. This indicates how much the club improved this year.

Sophomores Bill Claypoole, Glenn Cross, and Kevin Stroupe will be pushing for varsity positions next year.

Success seemed to be the key word in athletics this year and Coach Hollingshead's Frosh hoopsters joined that trend set by the upperclassmen. Turning out an eleven win four loss season, the Frosh had a very successful year, capturing a second place standing in the league.

Individual standouts were Jon Rountree and Ralph Tomassi, who averaged twelve and ten points per game respectively.

Coach Hollingshead looks forward to a good squad next year from the crop of eighth graders who turned out an eight win one loss record this year.

1970 WRESTLING TEAMS

Coach Ray Faidley guided the varsity wrestling team through a fine season this year, recording an eight win five loss log and tying for third place in the C. A. C.

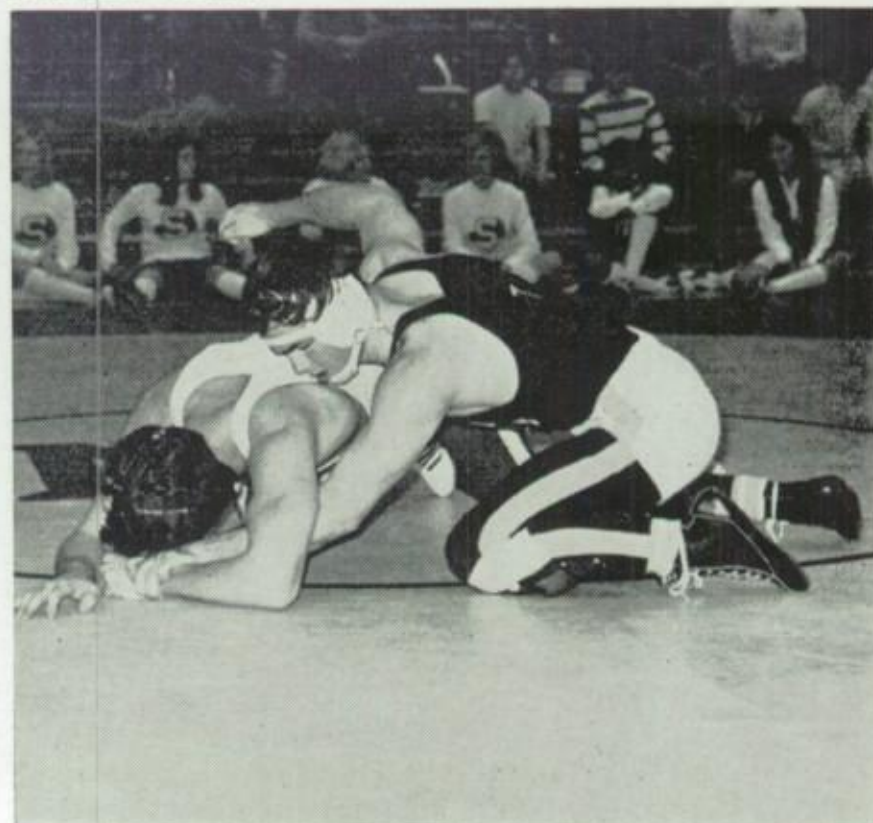

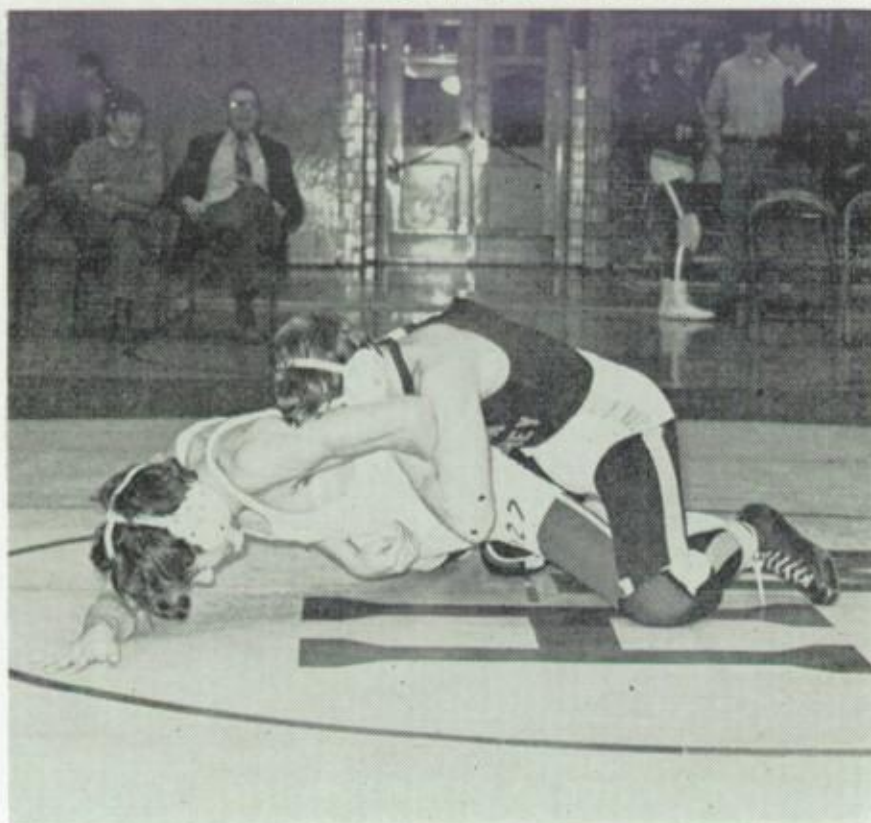

Co-captain George Gulliver, first undefeated and untied wrestler in seven years at M.H.S., had only eight points scored against him. Other standouts were: Mike Sokolowski, Marty Kitner Bob Hess, Mike Longenecker, and Co-Captain Rich Prokopick. The team had a few heartbreaking defeats, but had a very good year overall.

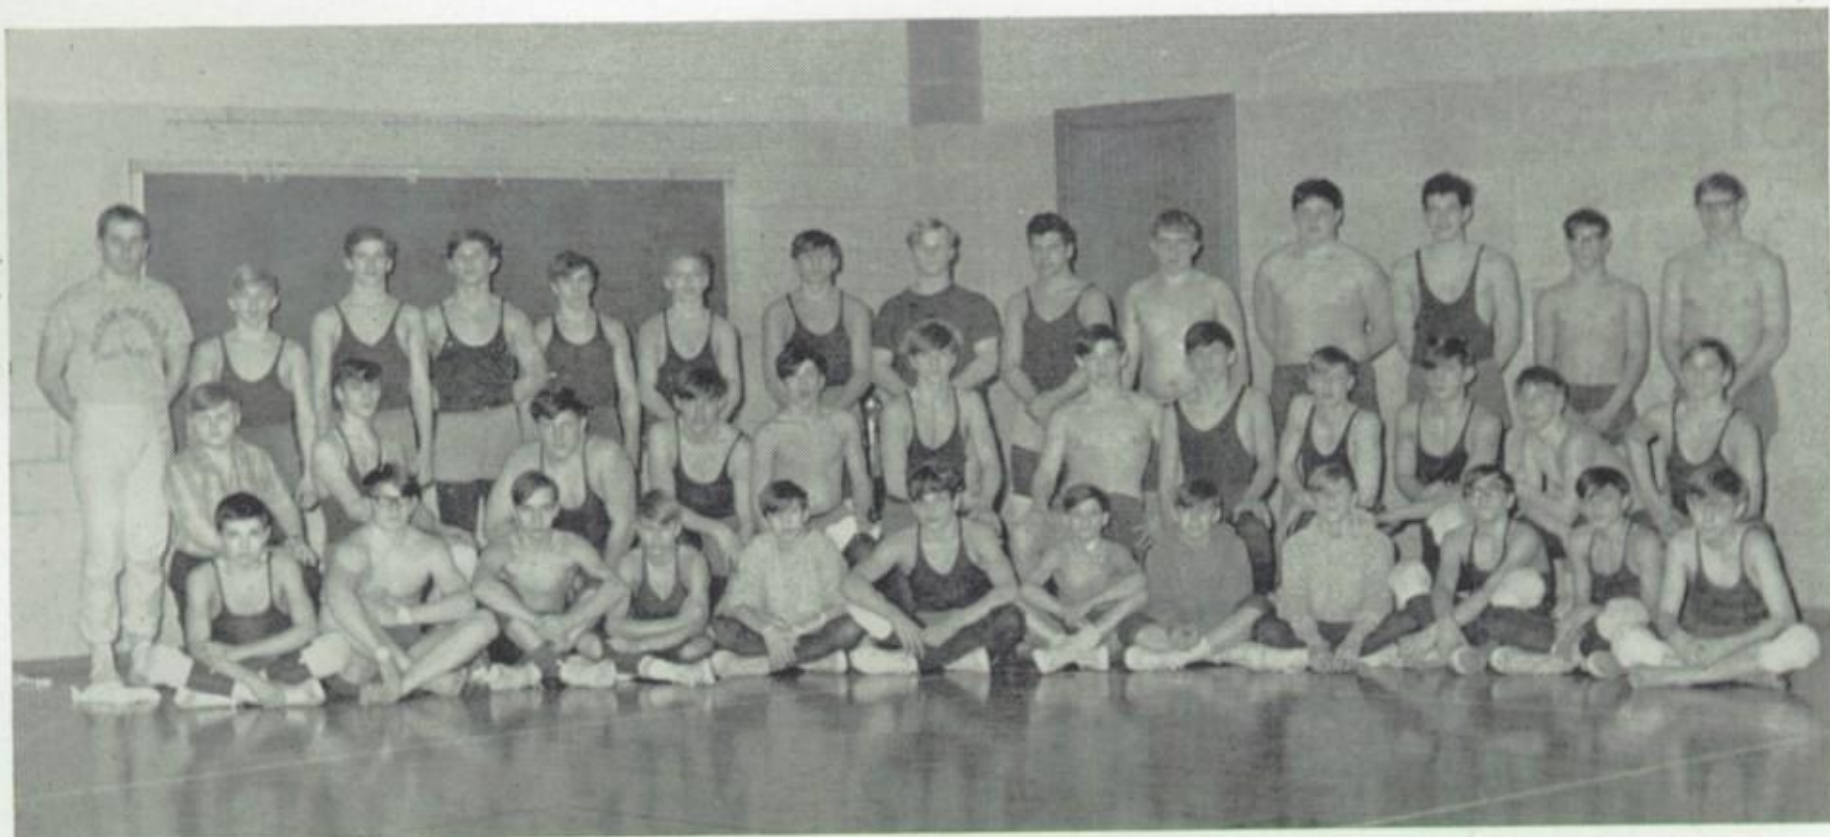

Coach Brian Seese molded another excellent junior varsity team this year with a record of ten wins and four losses, and the junior high team this year, coached by David Thompson, completed the season with a nine win and four loss record.

At the Lehigh National Prep School Tournament this year, the team took a third place with Jan Spangenberg and Jeff Kramer capturing individual second and fourth places respectively.

The Milton Hershey Education Association is a professional organization of teachers and administrators which has for its purpose the promotion of professional growth and social welfare.

Two significant innovations this year were the faculty's participation in the Red Cross Blood Bank and the "Student Involvement Day." To observe National Education Week, students assumed various teaching and administrative positions for one day to emphasize the contributions of the teaching profession.

From annual dues comes the money for five scholarship awards presented to students showing the highest scholastic attainment in college preparatory, business, and trade courses, as well as to the outstanding scholars in the eighth and ninth grades.

Outstanding social events sponsored by the MHEA are the golf and shrimp festivals held each fall and spring.
